### 2. Results of operations:

The financial statements of the Company have been prepared in accordance with Ind AS and as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 (hereinafter referred to as the 'Act') and other relevant provisions of the Act.

#### (a) Standalone Results:

In the financial year 2019-2020 total revenue of your Company was Rs. 2996.26 lacs as compared to the last year of Rs. 4398.64 lacs, a decline of 32 % in comparison with the previous year. During the financial year 2019-20 the Company suffered a loss of Rs. 51.53 lacs against the loss of Rs. 53.54 lacs during the previous year 2018-19

#### (b) Consolidated Results:

On a consolidated basis, the gross revenue of the Company has decreased to Rs. 2996.26 lacs as compared to Rs. 4398.64 lacs in the previous year. During the financial year 2019-20, the Company suffered a loss of Rs. 46.84 lacs as against the loss of Rs. 66.53 lacs suffered during the previous year 2018-19.

### 3. Consolidated Financial Statements:

As per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as the 'Listing Regulations') and applicable provisions of the Act read with the Rules issued thereunder, the Consolidated Financial Statements of

the Company for the financial year ended 31<sup>st</sup> March, 2020, have been prepared in compliance with applicable Accounting Standards and on the basis of audited financial statements of the Company, its Joint-venture Companies.

The Consolidated Financial Statements together with the Auditor's Report form part of this Annual Report.

### 4. Dividend:

Due to the loss suffered by the Company during the Financial Year 2019-20, your Company is not in a position to declare any dividend for the shareholders and hence Board of Directors have not recommended any dividend for the financial year 2019-20.

### 5. Corporate Review:

**Overview:** The main business of the company – supplying cable TV equipment and set top boxes to cable TV operators – is in long term decline due to changes in the distribution and viewing of television programmes. Streaming of video on the internet (called "Over The Top" or OTT) is the emerging standard for distribution, as opposed to traditional broadcast over satellite and cable. Viewers too have shifted their preference to personal viewing of video on their smart phones, as opposed to family viewing on a TV. While this "change-over" will play itself out over several years, the writing is on the wall. Your company has responded to this change by re-organizing its business, reducing costs and focusing on profitability. It is due to this that in spite of a steep decline in revenues in the year, there was no corresponding increase in loss. The changes will continue and, unless COVID becomes an overwhelming issue, the company hopes to record a profit in the current year. A division-wise discussion follows.

**Cable TV Division:** There was a 41% decline in the sales of cable TV equipment and set top boxes. The company has responded by trimming the old product line and reducing the size of this division. It was because of these initiatives that even though sales declined steeply, the company could arrest any increase in losses.

In addition, a whole new product line is in the process of being added. To increase ARPU cable TV operators have added a new service – broadband internet. This requires upgrading their cable TV networks to Fibre-To-The-Home or FTTH networks. Once upgraded, the operator can provide TV and broadband internet on the SAME network. This upgradation is happening mainly in the small towns and rural areas of India where players like Jio and Airtel are not present. Operators in these markets have been your company's main customers over the years. To address this emerging market your company has added a whole portfolio of FTTH products to its product line. The company expects this business to grow over the years since internet penetration in these markets is still very low.

**Hospitality Division:** In this division your company provides cable TV as a service to premium hotels (your company has a cable operator license). In the previous year there was a 69% increase in revenue in this division. Unfortunately, due to hospitality being hit perhaps the hardest by COVID, the company is expecting a big decline in the current year. A pick-up is expected only in the next year. Accordingly, the company has drastically reduced the size of this division. Once the hotels get back to business the company expects to good growth in this business.

**Channel Marketing Division:** The performance of the channel marketing division of your company, which distributes three foreign channels - TV5MONDE, France 24 and Euronews - to cable, DTH and OTT operators, was steady. This year the company has signed distribution agreements with the Japanese broadcaster NHK (for 2 channels, NHK World Japan and NHK World Premium) and the American business news leader, Bloomberg TV. The company expects growth in this business in the current year.

**Online Sales:** In the second half of the previous year the company started sales of consumer-type set top boxes on Amazon. This business has picked up well. Now the company has 3 models of set top boxes selling on Amazon and Flipkart. This has given encouragement to the company to add some more consumer products in the current year. Online Sales is now a new business division of the company.

#### 6. Subsidiary/Associate/ Joint Venture Companies:

As at 31<sup>st</sup> March, 2020, the Company does not have any subsidiary. However, your Company has 50:50 Joint Ventures with Unitron Group of Belgium under the name

of Catvision Unitron Private Limited and Unicat Limited.

These joint ventures companies were created with an objective to design and develop new products with advanced technologies and sell them to both the joint venture partners.

A separate statement containing the salient features of the financial statements of the joint ventures of your Company is given in Form AOC-1 and forms a part of consolidated financial statements in compliance with Section 129(3) and other applicable provisions, if any, of the Act read with Rule 5 of the Companies (Accounts) Rules, 2014.

Pursuant to the provisions of Section 136 of the Act, the Standalone Audited Financial Statements and Consolidated Financial Statements along with the relevant documents forming part of the Annual Report are available on the website of the Company.

#### 7. Public Deposits:

During the year under review, the Company has accepted Fixed Deposits from its Members in accordance with the provisions of Sections 73 and 76 and other applicable provisions of the Companies Act, 2013 ("the Act") and the Companies (Acceptance of Deposits) Rules, 2014. During the year under review there was no default in repayment of deposits or payment of interest due thereon. The details relating to Deposits in terms of Rule 8(5) (v) of the Companies (Accounts) Rules, 2014 are given herein under

Sr. No.	Particulars	Amount (in Rs.)
a.	Details of deposits which are not in compliance with the requirement of Chapter V of the Act	NA
b.	Deposits accepted during the financial year	2,00,000/-
d.	Deposits renewed during the financial year	17,45,399/-
e.	Unpaid and unclaimed deposit at the end of the year	NA
f.	Is there is any default in repayment of deposit or payment of interest thereon during the year	NO

#### 8. Internal Financial Control Systems and their Adequacy:

Your Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The Internal Audit Department monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company. Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls.

Significant audit observations and recommendations along with corrective actions thereon are presented to the Audit Committee of the Board. The Statutory Auditors has also commented on the internal financial control system in their report.

## REPORT ON CORPORATE GOVERNANCE

### COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Corporate Governance encompasses the manner in which corporations are governed, directed and controlled. It not only tells the company what to do as a company with the profits, but also how to make them. It addresses how your Company manages its economic and social responsibilities as well as its relationship with all key stakeholders.

Your Company strives to achieve excellence in corporate governance and it believes in and practices good corporate governance. Your Company is committed to the adoption of the best governance practices and its adherence in the true spirit, at all times. The company's philosophy on corporate governance is aimed at strengthening confidence among shareholders, customers and employees and ensuring a long-term relationship of trust by maintaining transparency and disclosures. This philosophy is backed by principles of concern, commitment, ethics, excellence and learning in all its acts and relationships with stakeholders, customers and associates. The objective of the Company is not only to meet the statutory requirements of the Code of Corporate Governance as prescribed under Schedule V of Listing Regulations, but to develop such systems and follow such practices and procedures as would make the management completely transparent and accountable in its interaction with employees, shareholders, lending institutions and its customers, thereby enhancing the shareholders' value and protecting the interest of the shareholders.

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Investors are cautioned that the discussion contains forward looking statements that involve risks and uncertainties including but not limited to, risks inherent in the Company's growth strategy, dependence on certain businesses, dependence on availability of qualified and trained manpower and other factors. The following discussion and analysis should be read in conjunction with the Company's financial statements included herein and the notes thereto.

### a) Company Overview:

Catvision Limited, a public limited company incorporated under the Indian Companies Act, 1956, is listed on the Bombay Stock Exchange (Code: 53118). The Company was incorporated as Catvision Products Limited on 28th June 1985. The name of the Company was changed to Catvision Limited after obtaining a fresh certificate of incorporation from Ministry of Corporate Affairs, Government of India.

The company has its head office at Noida and factory at Dehradun. It manufactures digital headend systems (DHE), set top boxes (STB) and hybrid fibre-co-ax (HFC) products. The company has four business divisions:

1. **Cable TV:** This division sells cable TV and GPON products to cable TV operators.
2. **Hospitality:** This division is to provide pay TV services to premium hotels.
3. **Channel Distribution:** This division distributes foreign TV channels to cable, DTH and OTT operators.
4. **Online Sales:** This division sells consumer grade set top boxes through online platforms Amazon and Flipkart

The company has two joint ventures with the Unitron Group, Belgium under the name Catvision Unitron Pvt. Ltd., based in India and Unicat, based in UAE. The JV companies were set up to develop digital broadcast technology which was then licensed to the JV partners. After completing 2 projects – digital encoder and digital decoder – the partners have decided to stop operations.

### b) Business Overview

During the year under review the turnover of your company declined to Rs. 2996.26 lacs from Rs. 4398.64 lacs during the previous year, registering a decline of 31.88%.

The cable TV business of the company faced a 42% decline in the year 2019-20. The reasons for this have been discussed earlier under "Corporate Review". With the addition of new products for GPON networks which address the growing market for fixed broadband internet, the company hopes to recover some decline but

it will take more time to get back to growth in this division.

The hospitality business recorded a 69% growth in the previous year. But, due to COVID, the current year is expected to show a steep decline. It is expected hotels will take at least another year to recover from the COVID shock.

The channel distribution business was steady the previous year. New distribution agreements were signed with NHK of Japan and Bloomberg TV. However, it will take a little time to obtain the broadcasting license from GOI and sign up carriage deals with some big operators. Some growth can be expected in the current year but the real growth will happen in the next year.

Online sales is a new business of the company. Good growth is expected in the current year.

### c) Strengths & Opportunities:

Your Company's main strength is its customer relationships and brand acceptance in the cable TV and hospitality sectors. Another strength is its experience and understanding of the latest technology in digital broadcasting and video streaming. The company's focus is to leverage these strengths to provide cutting-edge systems, solutions and services to cable TV operators and premium hotels.

Opportunities present themselves with both customers. Cable operators are upgrading to fibre-to-the-home (FTTH) GPON systems to provide cable TV and high-speed internet services on one network. To address this opportunity the company has ventured into supplying GPON related products like OLT and ONU. The ONU is a subscriber-end product, similar to a set top box, with the promise of large volumes. The company plans to manufacture this product at its factory in Dehradun.

The hotel cable TV business of the company, is on a temporary hold because of the pandemic. It is expected to revive after a year.

The huge Indian consumer market, the growing penetration of the internet, and the development of consumer-friendly e-commerce platforms all point to a future where online sales of consumer products, especially consumer electronic products, present a huge opportunity. The company has entered this business with consumer grade set top boxes and has met with immediate success. In the current year the company plans to add more products to its online portfolio.

### d) Threats & Challenges:

The biggest threat and challenge to the company's business is technological as well as the entry of big players. Classical or linear broadcasting like cable TV and DTH is facing a long-term disruption from internet-based video streaming or non-linear broadcasting (also called OTT or Over the Top Television). The market is also seeing the entry of big players like Reliance in internet services and e-commerce. However, for the foreseeable future, the company expects these threats to be restricted

to large urban centers. In the small towns and rural areas, the cable TV operators are able to provide TV services at much lower cost, offer regional content and personalized service. And now they are upgrading their networks to provide internet services too. It is this niche market which your company addresses. In the hospitality segment too, your company differentiates itself by offering pay TV services on the IPTV platform, which its DTH competitors are unable to do. It is this strategy of addressing niche markets, embracing emerging technologies (like GPON) and differentiating itself from its competitors that gives the company confidence to face the future.

#### **e) Risks and Concerns:**

##### **1. Industry Risk:**

The pandemic is clearly the biggest risk. Sales in the month of April were completely wiped out because of the lockdown. Since then the infections have been increasing without any end in sight. Restricted movement of people and goods, lockdowns in different parts of the country and a climate of fear has drastically hit demand and supply chains. The only hope is the vaccine. Even then it will take until the end of next year for normalcy to return. Apart from this, the risk to the cable TV industry is from video streaming.

##### **2. Company specific Risks:**

The pandemic has affected the cable TV and hospitality businesses of the company. Due to the pandemic cable operators are facing disconnections as homes try to preserve cash for essential items. The most affected is the company's hotel business. Most cities have even now not permitted hotels to open. The decline in tourism and travel, both national and international, is a death knell for the industry. It will take at least a year for this business to show any recovery.

Your company has a high dependency on imports in respect of which it faces the risk in currency fluctuation.

To counter these risks your company has responded with reduction in staffing, salary cuts and drastic cutting of other costs. It is also focusing more on its profitable divisions – channel distribution and online sales. The unrelenting focus is on cash flow and profitability.

##### **f) Internal Control Systems:**

Your Company has aligned its current systems of internal financial control with the requirement of Companies Act 2013. The Internal Control is intended to increase transparency and accountability in an organization's process of designing and implementing a system of internal control. The Company has successfully laid down the framework and ensured its effectiveness. Your company's internal controls are commensurate with its size and the nature of its operations. These have been designed to provide reasonable assurance with regard to recording and

providing reliable financial and operational information, complying with applicable statutes, safeguarding assets from unauthorized use, executing transactions with proper authorization and ensuring compliance with corporate policies.

The Audit Committee of the Board oversees the adequacy of the internal control environment through regular reviews of the audit findings and monitoring implementations of the recommendations through compliance reports submitted to the Company.

##### **g) Changes in Key Financial Ratios:**

- Debtor Turnover Ratio changes to 3.75 in 2019-20 in comparison to 3.99 in previous year 2018-19.
- Inventory Turnover Ratio changes to 3.00 in 2019-20 in comparison to 3.27 in previous year 2018-19.
- Interest Coverage Ratio changes to 0.27 in 2019-20 in comparison to 0.35 in previous year 2018-19.
- Net profit Margin changes to (1.77) in 2019-20 in comparison to (1.22) in previous year 2018-19
- Return on Net worth changes to (2.95) in 2019-20 in comparison to (3.34) in previous year 2018-19.

Changes in the abovementioned ratios is due to decrease in sales and continues losses suffered by the company and other relevant key factors.

##### **h) Human Resources/Industrial Relations, including number of people employed:**

## **INDEPENDENT AUDITORS' REPORT ON STANDALONE FINANCIAL STATEMENT**

### **The Members of Catvision Limited**

### **Report on the Audit of the Standalone Ind AS Financial Statements**

#### **1. Opinion**

a) We have audited the accompanying standalone financial statements of Catvision Limited (the 'Company'), which comprise the Balance Sheet as at 31<sup>st</sup> March 2020, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

b) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31<sup>st</sup> March 2020, and its profit/(loss) (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### **2. Basis of Opinion**

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **3. Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the financial year ended 31<sup>st</sup> March, 2020. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no matter which is required to be described as key audit matter to be communicated in our report.

We have determined the matters described below to be the key audit matters to be communicated in our report.

We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Standalone Financial Statements section of our report.

- **Internal Audit:** At present the Internal audit is conducted by designated employee of the company. In our opinion the internal audit should be conducted by an independent agency.

#### **4. Information other than the Financial Statements and Auditor's Report thereon**

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### **5. Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements**

- a. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- b. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- c. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

## 6. Auditor's Responsibilities for the Audit of the Financial Statements

- a. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- b. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
  - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
  - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- c. We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- d. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- e. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

## Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditors Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in the "**Annexure B**" a statement on the matters specified in the paragraph 3 and 4 of the Order to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it

appears from our examination of those books.

- c. The accounts of the branch offices of the Company have been audited by us.
- d. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- e. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- f. On the basis of the written representations received from the Directors as on 31<sup>st</sup> March 2020 taken on record by the Board of directors, none of the Directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a Director in terms of section 164(2) of the Act.
- g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in **"Annexure A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations which would impact its financial position in the standalone Ind AS financial statements - Refer Note 34 to the standalone financial statements.
  - The Company did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

## **"Annexure A" to the Independent Auditor's Report of even date on the Standalone Financial Statements of Catvision Limited**

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 1(g) of 'Report on Other Legal and Regulatory Requirements' section**

We have audited the internal financial controls over financial reporting of Catvision Limited ("the Company") as of 31<sup>st</sup> March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting

were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO STANDALONE FINANCIAL STATEMENT FOR THE YEAR ENDED 31ST MARCH, 2020

### NOTE 1 : CORPORATE INFORMATION:

Catvision Limited, a public limited company incorporated under the Indian Companies Act, 1956, is listed on the Bombay Stock Exchange (Code: 53118). The company was incorporated as Catvision Products Limited on 28th June 1985. The name of the company was changed to Catvision Limited after obtaining a fresh certificate of incorporation.

### NOTE 2 : BASIS OF PREPARATION:

These Financial Statements are the separate financial statements of the Company (also called Standalone Financial Statements) prepared in accordance with Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules as amended from time to time. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented under in these financial statements.

### NOTE 3 : SIGNIFICANT ACCOUNTING POLICIES:

#### 3.1. USE OF ESTIMATES AND JUDGEMENT

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that effect the reported balances of assets and liabilities, disclosure relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

#### 3.2. REVENUE RECOGNITION:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

##### Sale of goods:

Revenue from domestic sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects sales taxes and value added taxes (VAT) and goods and service tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Export sales are recognized at the time of handing over of export consignment to authorities for clearance.

##### Income from services:

Revenue from hotel operations and from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The company collects service tax and goods and service tax (GST) on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue. Revenue from channel marketing is recognized as and when it is billed to the customer irrespective to the period and accordingly expenses are also accounted for.

##### Interest:

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

### 3.3. PROPERTY, PLANT & EQUIPMENT:

#### Measurement and Recognition:

An item of Property, plant and equipment are stated at cost less accumulated depreciation. The cost of an item of Property, plant and equipment comprises of its purchase price including import duties and any directly attributable cost of bringing the asset to its working condition for its intended use. Expenditure for addition, improvement and renewal are capitalized and all other expenditure on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of Profit and Loss for the period during which the expenses are incurred.

#### Intangible Assets:

Intangible assets purchased are measured at cost as of the date of acquisition, as applicable, less accumulated amortization. The company capitalizes software where it is reasonably estimated that the software has an enduring useful life. Software is depreciated over an estimated useful life of three years. Any subsequent amount incurred in up-gradation or improvement of the software is charged to profit and loss account as an expense.

#### Capital work-in-progress and Capital advances:

Capital work-in-progress comprises of the cost of assets that are not yet ready for their intended use at the reporting date. Cost of material and other expenses incurred on such material are shown as Capital work-in-progress for capitalization. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as other Non-Current Assets.

#### Depreciation:

Depreciation other than on land and capital work-in-progress is charged on Straight-line method as per the useful life prescribed in Schedule II of the Companies Act, 2013 on all fixed assets. The estimated useful lives are estimated based on technical evaluation. The estimated

useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on prospective basis.

The Estimated useful lives are as mentioned below:-

Type of Asset	Useful Lives
Building	30 Years
Plant & Machinery	15 Years
Computer Equipment	3 Years
Vehicles	8 Years
Electrical installations	10 Years
Office Equipment	5 Years
Furniture & Fixture	10 years

Depreciation on the amount of addition made to fixed assets due to up-gradation is provided at the rate applied to the existing assets on pro-rata basis.

#### **Impairment of tangible and intangible assets:**

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the Statement of Profit and Loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

#### **3.4 INVENTORY VALUATION:**

Raw materials, components, stores, stock-in-trade and packing materials are valued at cost or net realizable value whichever is less. However, material and other items held for use in the production of inventories are not written down below the cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components, stores, stock in trade is determined on a moving weighted average basis. Cost of inventory comprises all costs of purchase, duties, taxes (Other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location

and condition.

Semi-finished goods are valued at estimated cost. Finished goods are valued at cost or net realizable value whichever is less.

The cost of Semi-finished goods and finished goods include cost of conversion and other cost incurred in bringing the inventories to their present condition and location.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

#### **3.5 VALUATION OF INVESTMENT:**

The Company has elected to recognize its investments in Joint Venture at cost in accordance with the option available in Ind AS 27 'Separate Financial Statements'. The details of such investments are given in Note 5. Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified under Current Assets and valued at lower of cost and fair value determined on an individual investment basis. All other investments are classified as Non-Current Assets and are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments

#### **3.6 FOREIGN CURRENCY TRANSACTIONS:**

##### **i. INDIA OPERATIONS :**

##### **a. Initial Recognition :**

The Functional Currency of the Company is Indian rupee.

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the realization. Foreign Currency transactions are recorded at the exchange rate prevailing on the date of the transaction.

##### **b. Exchange Differences:**

The Exchange difference between the rate prevailing on the date of transaction and on the date of settlement is recognized as income or expenses as the case may be.

Monetary assets and liabilities related to foreign currency remaining unsettled at the end of the year are translated at the exchange rate prevailing on the date on which transaction is recorded. Exchange differences arising on the settlement of monetary items or on restatement of monetary items at rates different from those at which they were initially recorded or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

##### **c. Forward Exchange Contract:**

In respect of forward exchange contracts entered into by the Company, the difference between the contracted rate

and the rate at date of transaction is recognized as gain or loss over the period of contract except for difference in respect if liabilities incurred for acquiring fixed assets from a country outside India in which case such difference is adjusted in the carrying amount of the respective fixed assets. Exchange difference on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expenses for the year.

## **ii. FOREIGN BRANCH OFFICE OPERATIONS :**

a. The assets and liabilities, both monetary and non-monetary, of the foreign operation are translated at the exchange rate prevailing on the balance sheet date.

b. Sales and Cost of material of the foreign operation are translated by applying monthly average exchange rate, Administrative expenses of the foreign operation are translated by applying quarterly average exchange rates; and

c. All resulting exchange differences are accumulated in Foreign Currency Translation Reserve.

## **3.7 FEE FOR TECHNICAL SERVICES:**

Fee for technical services are charged to the profit and loss account over the period of the agreement for technical services.

## **3.8 EMPLOYEE BENEFITS:**

### **a. Defined Contribution Plan :**

The company has defined contribution plan for post-employment benefits in the form of provident fund for all employees which are administrated by Regional Provident Fund Commissioner. Provident Fund and Family Pension Scheme are classified as defined contribution plan as the company has no further obligation beyond making the contribution. The Company's contribution to defined contribution plans are charged to Profit and Loss Statement of the year when the contribution to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

### **b. Defined benefits plan :**

Company's liability toward Gratuity under the Payment of Gratuity Act, 1972 is defined obligation and provided for on the basis of actuarial valuation made at the end of each financial year by an independent actuary.

### **c. Compensated Absences :**

Liability on account of other employee benefits like leave travel assistance, medical reimbursement is accounted for on accrual basis. Liability on account of leave encashment to employees was considered as short-term compensation expense provided on actual basis as and when to pay.

## **3.9 PROVISIONS :**

a. The Company does not make provision for doubtful debts and follows the practice of writing off bad debts as and when determined.

b. A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not disclosed to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

## **3.10 TAXATION:**

Tax expense comprises both current and deferred taxes. Current Income Tax is measured as the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income Tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred Tax is measured using the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

Deferred tax assets have been recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/ virtually certain, as the case may be, to be realized.

## **3.11 EARNIG PER SHARE (EPS):**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholder (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the year attributable to equity shareholder and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential Equity Shares.

### 3.12 FINANCIAL INSTRUMENTS:

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (Other than financial assets and financial liabilities at fair value through profit & loss) are added to or deducted from the fair value measured on initial recognition of the financial asset or financial liability.

#### Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### Financial asset at amortised cost:

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### Financial assets at fair value through other comprehensive income:

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

#### Financial assets at fair value through profit or loss:

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit or loss.

#### Financial Liabilities:

Financial liabilities are measured at amortised cost using effective interest method

#### Equity Instruments:

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognized by the company are recognized at the proceeds received net off direct issue cost.

### 3.13 SEGMENT REPORTING:

The company identifies primary segment based on the dominate source, nature of risk and return, internal organization and management structure and the internal performance reporting system. The accounting policies adopted for the segment reporting are in line with accounting policies of the company. The analysis of geographical segment is based on the areas in which major operating division of the company operates.

### 3.14 BORROWING COST:

Borrowing cost that is attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for intended use or sale are capitalized as part of cost of the respective asset. All other borrowing cost are recognized as expenses in the period in which they are incurred and charged to statement of Profit and Loss over the tenure of the borrowing.

### 3.15 EXCEPTIONAL ITEMS:

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments, write down of inventories and significant disposal of fixed assets.

### 3.16 IMPAIRMENT:

At each balance sheet date, the management reviews the carrying amounts of its assets to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of net selling price of an asset and value in use determined by discounting the estimated future cash flow expected from continuing use assets to their present value.

### 3.17 CONTINGENT LIABILITIES:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

### 3.18 CASH AND CASH EQUIVALENT:

Cash and cash equivalent for the purpose of cash flow statement comprises cash at bank and in hand and shore term investments with an original maturity of three months or less.

## INDEPENDENT AUDITORS' REPORT ON CONSOLIDATED FINANCIAL STATEMENT

### The Members of Catvision Limited

### Report on the Audit of the Consolidated Ind AS Financial Statements

#### 1. Opinion

a) We have audited the accompanying consolidated financial statements of Catvision Limited (the 'Company'), and its jointly controlled entities, which comprise the Consolidated Balance Sheet as at 31<sup>st</sup> March 2020, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

b) In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Indian Accounting Standards ('Ind AS') specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31<sup>st</sup> March 2020, and its profit or loss (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

#### 2. Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company and its jointly controlled entities in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### 3. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements for the financial year ended 31<sup>st</sup> March, 2020. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a

separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditors' responsibilities for the audit of the Consolidated Financial Statements section of our report.

- **Jointly Controlled Entities:** The operations of the Jointly controlled entities do not commensurate with the quantum of investment.

#### 4. Information other than the Consolidated Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of other information. The other information comprises the information included in the Annual Report, but does not include the Consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### 5. Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

- a. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), changes in equity and cash flows of the Company and its jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Ind AS specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and

completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

- b. In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
- c. Those Board of Directors are also responsible for overseeing the Company's and its jointly controlled entities financial reporting process.

#### **6. Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

- a. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
- b. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
  - Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
  - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for explaining our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient and appropriate audit evidences regarding the financial information of the Company and its jointly controlled entities to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the Independent Auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
- c. We communicate with those charged with governance of the Company such other entities included in the consolidated financial statements of which we are the Independent Auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- d. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- e. From the matters communicated with those charged with governance, we determine those matters that

were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on other Legal and Regulatory Requirements

1. As required by section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
  - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
  - e. On the basis of the written representations received from the Directors as on 31<sup>st</sup> March 2020 taken on record by the Board of directors of the Company and the Board of Directors of its jointly controlled entities, none of the Directors is disqualified as on 31<sup>st</sup> March 2020 from being appointed as a Director in terms of section 164(2) of the Act.
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
  - g. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended.

- h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
  - The Company has disclosed the impact of pending litigations which would impact its financial position in the standalone Ind AS financial statements - Refer Note 34 to the Consolidated financial statements.
  - The Company and its jointly controlled entities did not have any long-term contracts including derivatives contracts for which there were any material foreseeable losses.

### "Annexure A" to the Independent Auditor's Report of even date on the Consolidated Financial Statements of Catvision Limited

#### Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 1(g) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting of Catvision Limited ("the Company") and its jointly controlled entities as of 31<sup>st</sup> March 2020 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

#### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the

prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's and its jointly controlled entities internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's and its jointly controlled entities internal financial controls system over financial reporting.

### **Meaning of Internal Financial Controls Over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial

statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our opinion and to the best of our information and according to the explanations given to us, the Company and its jointly controlled entities has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31<sup>st</sup> March 2020, based on the internal control over financial reporting criteria established by the Company and its jointly controlled entities considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### NOTE 3

#### 3.1 SIGNIFICANT ACCOUNTING POLICIES:

These Consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind As") prescribed under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules as amended from time to time. These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting. The accounting policies have been applied consistently over all the periods presented under in these financial statements.

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgements that effect the reported balances of assets and liabilities, disclosure relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future period.

#### 3.2 REVENUE RECOGNITION:

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

##### Sale of goods:

Revenue from domestic sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects goods and service tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue. Export sales are recognized at the time of handing over of export consignment to authorities for clearance.

##### Income from services:

Revenue from hotel operations and from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The company collects goods and service tax (GST) on behalf of the government and, therefore, it is not an economic benefit flowing to the Company. Hence, it is excluded from revenue. Revenue from channel marketing is recognized as and when it is billed to the customer irrespective to the

period and accordingly expenses are also accounted for.

#### **Interest:**

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

### **3.3 PROPERTY, PLANT & EQUIPMENT:**

An item of Property, plant and equipment are stated at cost less accumulated depreciation. The cost of an item of Property, plant and equipment comprises of its purchase price including import duties and any directly attributable cost of bringing the asset to its working condition for its intended use. Expenditure for addition, improvement and renewal are capitalized and all other expenditure on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of Profit and Loss for the period during which the expenses are incurred.

#### **Intangible Assets:**

The Intangible Assets include cost of acquired software, cost incurred in development of technological software. Intangible assets are initially attributable cost of preparing the asset for its intended use. Internally developed intangibles are capitalized if, and only if the following criteria can be demonstrated:-

- The technical feasibility and the company's intention and ability of completing the project.
- The probability that the project will generate future economic benefits.
- The availability of adequate technical financial and other resources to complete the project.
- The ability to measure development expenditure reliably.

#### **Capital work-in-progress and Capital advances:**

Capital work-in-progress comprises of the cost of assets that are not yet ready for their intended use at the reporting date. Cost of material and other expenses incurred on such material are shown as Capital work-in-progress for capitalization. Advances given towards acquisition of fixed assets outstanding at each balance sheet date are disclosed as other Non-Current Assets.

#### **Depreciation:**

Depreciation other than on land and capital work-in-progress is charged on Straight-line method as per the useful life prescribed in Schedule II of the Companies Act, 2013 on all fixed assets. The estimated useful lives are estimated based on technical evaluation. The estimated useful lives and residual value are reviewed at the end of each reporting period, with the effect of any change in estimate accounted for on prospective basis.

The Estimated useful lives are as mentioned below:-

Type of Asset	Useful Lives
Building	30 Years
Plant & Machinery	15 Years
Computer Equipment	3 Years
Vehicles	8 Years
Electrical installations	10 Years
Office Equipment	5 Years
Furniture & Fixture	10 years

Depreciation on the amount of addition made to fixed assets due to up-gradation is provided at the rate applied to the existing assets on pro-rata basis.

#### **Impairment of tangible and intangible assets:**

The company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the Statement of Profit and Loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

#### **Tangible Fixed Assets:**

Tangible fixed assets are stated at cost less accumulated depreciation and impairment loss, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Expenditure for addition, improvement and renewal are capitalized and all other expenditure on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which the expenses are incurred.

When an asset is scrapped or otherwise disposed off, the cost and related depreciations are removed from the books of accounts and resultant profit (including capital profit) or loss, if any, is reflected in the Statement of Profit and Loss.

#### **Intangible Assets:**

The intangible fixed assets include cost of acquired software, cost incurred in development of technological software. Intangible assets are initially measured at acquisition cost, including any directly attributable cost of preparing the asset for its intended use. Internally developed intangibles are capitalized if, and only if the following criteria can be demonstrated

- a) the technical feasibility and the company's intention and ability of completing the project;
- b) the probability that the project will generate future economic benefits
- c) the availability of adequate technical financial and other resources to complete the project;
- d) the ability to measure development expenditure reliably

#### **Capital work-in-progress:**

Capital work-in-progress comprises of the cost of assets that are not yet ready for their intended use at the reporting date. Cost of material and other expenses incurred on such material are shown as Capital work- in-progress for capitalization. Expenditure on intangible asset projects which are not yet ready for intended use are carried as intangible asset under development and shown CWIP.

#### **Depreciation:**

##### **a. Indian Entities:**

Depreciable amount for assets is the cost of an asset or other amount substituted for cost less its estimated residual value. Depreciation of tangible assets has been provided on the Straight-Line Method as per the useful life prescribed in Schedule II of the Companies Act, 2013.

Depreciation on the amount of addition made to fixed assets due to up-gradation is provided at the rate applied to the existing assets on pro-rata basis.

Software is depreciated over an estimated useful life of six years. Any subsequent amount incurred in up-gradation or improvement of the software is charged to profit and loss account as an expense.

##### **b. International Entities:**

Depreciation on assets is provided at Straight-Line Method bases on the estimated useful life determined by the management of the respective entities.

#### **Amortization:**

Intangible assets with finite lives are amortized over their economic life and assessed for the intangible asset may

be impaired. The amortization periods are reviewed and impairment evaluation are carried out at least once a year.

The intangible assets of the overseas jointly controlled entity have been amortized over 2000 units, as has been estimated by the management.

#### **Impairment of Assets:**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, the company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets.

Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used.

Impairment losses of continuing operations, including impairment on inventories, are recognized in the statement of profit and loss, except for previously revalued tangible fixed assets, where the revaluation was taken to revaluation reserve. In this case, the impairment is also recognized in the revaluation reserve up to the amount of any previous revaluation.

#### **3.4 INVENTORY:**

Raw materials, components, stores, stock-in-trade and packing materials are valued at cost or net realizable value whichever is less. However, material and other items held for use in the production of inventories are not written down below the cost if the finished goods in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials, components, stores, stock in trade is determined on a moving weighted average basis.

Semi-finished goods are valued at estimated cost. Finished goods are valued at cost or net realizable value whichever is less.

The cost of Semi-finished goods and finished goods include cost of conversion and other cost incurred in bringing the inventories to their present condition and location.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of

completion and estimated costs necessary to make the sale.

### **3.5 VALUATION OF INVESTMENT:**

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

### **3.6 FOREIGN CURRENCY TRANSACTIONS:**

#### **I. INDIA OPERATIONS:**

##### **a. Initial Recognition:**

On initial recognition all foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the realization. Foreign Currency transactions are recorded at the exchange rate prevailing on the date of the transaction.

##### **b. Subsequent Recognition:**

As at the reporting date, non-monetary items which are carried out at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary transaction which are carried out at fair value or other similar valuation denominated in foreign currency using exchange rate that existed when the values are determined. All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

##### **c. Exchange Differences:**

The exchange difference between the rate prevailing on the date of transaction and on the date of settlement is recognized as income or expenses as the case may be.

Monetary assets and liabilities related to foreign currency remaining unsettled at the end of the year are translated at the exchange rate prevailing on the date on which transaction is recorded. Exchange differences arising on the settlement of monetary items or on restatement of monetary items at rates different from those at which they were initially recorded or reported in previous financial statements, are recognized as income or as expense in the year in which they arise.

In accordance with MCA notification on Indian Accounting Standard - 21 on "The Effects of Changes in Foreign Exchange Rates", in respect of long-term foreign currency loan taken for acquisition of assets, the exchange

difference arising on reporting of said loan is adjusted to the cost of the assets.

##### **d. Forward Exchange Contract:**

In respect of forward exchange contracts entered into by the Company, the difference between the contracted rate and the rate at date of transaction is recognized as gain or loss over the period of contract except for difference in respect if liabilities incurred for acquiring fixed assets from a country outside India in which case such difference is adjusted in the carrying amount of the respective fixed assets. Exchange difference on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expenses for the year.

#### **II. FOREIGN BRANCH OFFICE OPERATIONS:**

- a. The assets and liabilities, both monetary and non-monetary, of the foreign operation are translated at the exchange rate prevailing on the balance sheet date.
- b. Sales and Cost of material of the foreign operation are translated by applying monthly average exchange rate, Administrative expenses of the foreign operation are translated by applying quarterly average exchange rates; and
- c. All resulting exchange differences are accumulated in Foreign Currency Translation Reserve.
- d. Assets and Liabilities of foreign entity is translated into Indian Rupees on the basis of the closing exchange rates as at the end of the period. Income and expenditure and cash flow are generally translated using average exchange rate of the month. Foreign exchange difference resulting from such transaction are recorded in the Foreign Currency Translation Reserve

### **3.7 FEE FOR TECHNICAL SERVICES:**

Fee for technical services are charged to the profit and loss account over the period of the agreement for technical services.

### **3.8 EMPLOYEE BENEFITS:**

#### **a. Defined Contribution plan :**

The Company has defined contribution plan for post-employment benefits in the form of provident fund for all employees which are administrated by Regional Provident Fund Commissioner. Provident Fund and Family Pension Scheme are classified as defined contribution plan as the company has no further obligation beyond making the contribution. The company's contribution to defined contribution plans are charged to Statement Profit and Loss of the year when the contribution to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

#### **b. Defined benefits plan:**

Company's liability toward Gratuity under the Payment of Gratuity Act, 1972 is defined obligation and provided for on the basis of actuarial valuation made at the end of each financial year by an independent actuary. Actuarial gains and losses are recognized in the Statement of Profit and Loss in the period in which they incur. The retirement benefit obligation recognized in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognized past service cost, as reduced by fair value of scheme assets.

#### **c. Compensated Absences:**

Liability on account of other employee benefits like leave travel assistance, medical reimbursement is accounted for on accrual basis. Liability on account of leave encashment to employees was considered as short-term compensation expense provided on actual basis as and when to pay.

### **3.9 PROVISIONS :**

The Company does not make provision for doubtful debts and follows the practice of writing off bad debts as and when determined.

A provision is recognized when an enterprise has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not disclosed to its present value and are determined based on best management estimate required to settle the obligation at the Balance Sheet date. These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

### **3.10 TAXATION:**

Tax expense which comprises both current and deferred taxes are accounted for in the same period to which the revenue and expenses relates. Provision for current Income Tax is measured as the amount expected to be paid to the tax authorities in accordance with the Indian Income Tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred Income Tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred Tax is measured using the tax rates and the tax laws enacted or substantively enacted at the Balance Sheet date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of Profit and Loss.

Deferred tax assets have been recognized only to the extent there is reasonable certainty that the assets can be realized in future. However, where there is unabsorbed depreciation or carry forward loss under taxation laws, deferred tax assets are recognized only if there is virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain, as the case may be, to be realized.

### **3.11 EARNING PER SHARE (EPS):**

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholder (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating Diluted Earnings Per Share, the net profit or loss for the year attributable to equity shareholder and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential Equity Shares.

### **3.12 FINANCIAL INSTRUMENTS:**

Financial assets and liabilities are recognized when the company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (Other than financial assets and financial liabilities at fair value through profit & loss) are added to or deducted from the fair value measured on initial recognition of the financial asset or financial liability.

#### **Cash and cash equivalents**

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### **Financial asset at amortised cost:**

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### **Financial assets at fair value through other comprehensive income:**

Financial assets are measured at fair value through other comprehensive income if these financial assets

are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

**Financial assets at fair value through profit or loss:**

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognized in statement of profit or loss.

**Financial Liabilities:**

Financial liabilities are measured at amortised cost using effective interest method

**Equity Instruments:**

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Equity instruments recognized by the company are recognized at the proceeds received net off direct issue cost.

**3.13 IMPAIRMENT:**

At each balance sheet date, the management reviews the carrying amounts of its assets to determine whether there is any indication that those assets were impaired. If any such indication exists, the recoverable amount of the assets is estimated in order to determine the extent of impairment loss. The recoverable amount is higher of net selling price of an asset and value in use determined by discounting the estimated future cash flow expected from continuing use assets to their present value.

**3.14 CONTINGENT LIABILITIES:**

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not

probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

**3.15 CASH AND CASH EQUIVALENT:**

Cash comprises cash in hand and demand deposits with banks. Cash equivalent are such short-term investments with an original maturity of three months or less, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of change in value.

**3.16 SEGMENT REPORTING:**

The company identifies primary segment based on the dominate source, nature of risk and return, internal organization and management structure and the internal performance reporting system. The accounting policies adopted for the segment reporting are in line with accounting policies of the company. The analysis of geographical segment is based on the areas in which major operating division of the company operates.

**3.17 BORROWING COST:**

Borrowing cost that is attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for intended use or sale are capitalized as part of cost of the respective asset. All other borrowing cost are recognized as expenses in the period in which they are incurred and charged to statement of Profit and Loss over the tenure of the borrowing.

**3.18 EXCEPTIONAL ITEMS:**

Exceptional items are transactions which due to their size or incidence are separately disclosed to enable a full understanding of the Company's financial performance. Items which may be considered exceptional are significant restructuring charges, gains or losses on disposal of investments, write down of inventories and significant disposal of fixed assets.

Dear Members

07.09.2020

### **Re: Green Initiative in Corporate Governance**

The Ministry of Corporate Affairs, vide its Circular No. 17/2011, dated 21.04.2011 followed and Circular No. 18/2011 dated 29.04.2012, has taken a "Green Initiates" in Corporate Governance by allowing paperless compliances by the companies through electronic mode and introduced email address as one of the modes of sending communication to the shareholders under section 20 of the Companies Act, 2013.

The new arena of interface with the members is a welcome step as it would not only help to save the environment and facilitate fast communication but will also lead to cost-savings for your company.

To implement the above, the company proposes to send in future various documents, including Notices, Balance Sheet, Profit and Loss Account, Directors' Reports, Auditors' Report etc. to the members in electronic form to the email addresses of the members provided by them and made available to us by the Depositories (NSDL/CDSL). You are advised to update the same by registering changes, if any, in your email address from time to time with the concerned Depository.

The company shall also display full text of these communications / documents / reports in its website: [www.catvisionindia.com](http://www.catvisionindia.com) and physical copies of such communication/documents/reports will be made available at the registered office of the company for inspection by the shareholders during office hours on working days.

Please note that as members of the company, upon receipt of request, you will be entitled to receive free of cost, copy of such communication/documents/reports and all other documents require to be attached thereto.

In case you desire to receive the documents mentioned above in physical form, please write to us at [catvision@catvisionindia.com](mailto:catvision@catvisionindia.com) quoting your Folio No./Client ID and DPID.

All those members who have not yet registered their email address, or are holding shares in physical form, are requested to immediately register their email address with NSDL/CDSL and/or with the company at [catvision@catvisionindia.com](mailto:catvision@catvisionindia.com) along with Folio No./Client ID and DPID.

Thanking you.

Your faithfully,  
For **Catvision Limited**
